

## October 2025

October, the beginning of fall and much cooler weather. The summer heat was brutal this year but us full timers managed to make it through. Welcome back snowbirds, we hope you enjoyed your summer in cooler weather. Now let's get down to business.

Construction and remodeling didn't stop the WT club from having a September dinner. We were determined to carry on. The dinner was held in Boulevards on a Monday. Some temporary changes but we adapted and made it work. Thank you to all who participated, we appreciate your patience during the construction and willingness to roll with the temporary changes. Thank you to Alex and Trevor and the staff for making Monday night work for our club.

The Wine Tasters Club is working on great new menus and fantastic wines for this season.

For previous members if you haven't already, please renew your membership. New members can pick up one of our flyers in the kiosks at any of the clubhouses. You can also download an application from our Wine Tasters website. We hope you will join us for the 2025/2026 season.
