

## **SCPD Wine Tasters Meal Policy**

The Wine Tasters Club offers a special vegan, gluten free entree each month. (Unfortunately, we are only able to offer vegan/gluten free for the **entree course**.) Check the monthly flyer for description.

In an effort to better manage special meal requests among club and private events, the following meal policy has been adopted. Please keep in mind that the policy is designed to accommodate dietary needs as best we can, but also to streamline the actual execution of a particular event.

For health and dietary accommodations, if the special request can be accomplished with the main entree by serving the sauce on the side, then we will oblige to this request.

Special requests must be done through the main contact for each event.

Special card(s) or label(s) will be provided for each requested special meal. No changes may be made within three (3) business days prior to the event.

## **SCPD HOA Service Animal Policy**

We want to be sure our membership is aware that we abide by the HOA rules regarding service animals. Any animals accompanying a resident to one of our functions, must comply.

Our HOA welcomes any well behaved service animals in the company of its owner in the SCPD recreational facilities. However, dogs whose sole function is to provide emotional support or comfort do not qualify as service animals under the American with Disabilities Act (ADA). Should a resident require an emotional support animal or comfort animal they must apply for a reasonable accommodation by contacting the HOA Operations Manager at 760-200-2260.
