

Wine Tasters September 2025

Wine Taster's Club Alert! Due to the remodel of the Mountain View clubhouse, the Wine Taster's Club will host its first two dinners of the 2025/26 season in Boulevards. When the remodel is finished, we'll return to the Grand Ballroom, hopefully for our November event. Meanwhile, we're switching to Mondays (9/22 & 10/20) when Boulevards is normally closed. This adjustment provides a scenic, inviting setting, but it also requires that we limit seating for the first two dinners. Unfortunately, that means no guests. It also means you need to respond quickly after receiving the emailed reservation form.

Last season, we featured wineries like Dry Creek, Whitehall Lane, La Crema, Justin and The Prisoner, to name a few. We enjoyed gourmet caliber meals that included Hickory Smoked Duck Breast, Steak Au Poivre and Venison. Everyone knows how expensive wines and entrees like this can be in other restaurants. We charge \$85.00 per person for a three-course meal with wine, tax and services included. For residents not familiar with our club, we offer yet another major perk, members can purchase all the featured wines at very affordable prices.

It's a winning combination. Join the club and treat yourself.
